A SWITCH IN TIME

GENDER, RESPECT, POLITICS & THE MEDIA

An event in conjunction with Victorian Women's Trust and hosted by Maurice Blackburn Lawyers

In late 2012, Victorian Women's Trust (VWT) launched *A Switch in Time*, a document dealing with gender and respect in politics, the media, and Australian society more generally.

The Executive Director of VWT, Mary Crooks AO, will be joining us to discuss the document, developments since it was launched and her ongoing work in this field.

If you have already read *A Switch in Time*, we're sure you'll be excited to have an opportunity to hear more, and to share your thoughts. If this is your introduction to VWT's work, we know you will be stimulated and inspired by Mary's presentation.

Please join us to consider how we can:

- **confront sexism and misogyny in political discourse and media;**
- **defend democratic principles;**
- **challenge existing structures and 'group think'; and**
- **reject social media vitriol.**
